MEMORANDUM FOR: Director of Personnel

SUBJECT : Displaying of External Job Leads

FILE *Personnel*

Bob:

25X1

In briefing the DD/S on 16 September on the several items included in August Progress Highlights, the DD/S commented on the proposal in paragraph 6 of Ken's paper having to do with the displaying of external vacancies of which RCPS is cognizant.

The intent of the proposal was recognized as worthwhile, and the DD/S interposed no objection to the use of bulletin boards for this purpose. He did, however, suggest the possibility of having a small location, preferably on the first floor, where external job leads could be made available in a more amplified form than would be possible on bulletin boards. Such a location, in a heavily trafficked area, might enable people thinking about retiring to drop by unobtrusively to review available information on external job possibilities.
